16) Sri Puttaverappa has stated that he applied to the Chairman, City Improvement Trust Board, Mysore, in July 1948 and also addressed letter to the Home Minister on 28-10-1948 requesting grant of vacant land measuring 72 yards North to South and 52 yards East to West. The Chairman, City Improvement Trust Board, Mysore, has issued an endorsement stating that he should wait till a layout is formed. ^{Sri Puttaverappa} and that he has been served with a letter intimating that the board has resolved that a strip of land measuring 15' x 169' may be allotted to him. He has further stated that this strip of land does not serve any purpose as the balance of land has been distributed between two parties who had applied for the same afresh. He has, therefore, requested to Government to allot the entire vacant land at an upset price.

17) The Chairman has reported that there were three applications for grant of sites, that the Board resolved that the strip of land measuring 15' x 169' may be allotted to Sri Srikanteswara Rice Mill at Rs.2/- per square yard

and the remaining portion to the two applicants at Rs.2/- per square yard. He has further stated that the petition of Sri C. Puttaveerappa who is also a Proprietor of Sri Srikanteswara Rice Mills had purchased from the City Improvement Trust Board nearly 20,000 sq. yds of lands (~~four acres~~) at a concessional rate of two annas per square yard during the year 1923-24 and sold a portion of it at a heavy cost and retained for himself huge plot of land measuring 170' x 790' i.e., ~~three acres~~

(18) However, this is a case in which the Trust Board has divided the area into three bits and has given the three bits to three persons. There is nothing illegal in this transactions and Government, therefore, need not interfere.

The Honourable Minister for
Local Self Government,
Government of Mysore,
CAMP: MYSORE.

Petitioner:-

C. Puttaveerappa,
Proprietor,
Sri Srikanteswara Chikkaveeranna
Rice Mills,
Ediga, Mysore.

Respected Sir,

I humbly beg to represent that there exists a bit of land measuring 72 yards North to South and 53 yards East to West, south of My mills. I had applied to the Chairman, City Improvement Trust Board on 12th July 1948, and also addressed a letter to the Home Minister, Government of Mysore on 28-10-1948, and again on 10-11-50, addressed a letter to the President, City Municipal Council, Mysore and again on 9-7-54 to the Municipal President and again on 18-4-55 to the Commissioner, City Municipal Council, Mysore requesting the grant of the above said vacant land to me for an upset price. On 4-5-1955 an endorsement was issued to me by the Chairman City Improvement Trust Board stating that I may wait till the layout of the area is formed.

Now I have been served with a letter bearing No. SR621/55-56 dated 3rd October 1955 intimating that the Board in their resolution No. 211 dated 28-9-1955 resolved that a strip of land measuring 15 ft x 169 ft may be allotted to me etc., as per copy of letter enclosed.

P.T.O.

I also enclose herewith an application addressed to the Chairman City Improvement Trust Board after the receipt of the letter, making out my case for the vacant land.

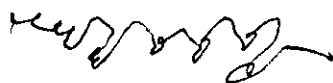

The small strip of land which has been allotted to me does not serve any purpose and it shall not be of any use to me as there is a big gate at the south from which long chassis lorries shall be plying clearing husk, etc., The entire bit of land was requested to be sanctioned to us as we had to install oil Mills etc., which we had previously and which was made over to my brothers at the time of partition.

I learn of late that though my application for the grant of the entire site was pending from such a long time, that the authorities have granted me the strip of the land as per copy of letter enclosed. The entire sit south of my mills, measures North to South upto B.T. Mill Compound 431ft. The balance land after grant of the small strip of land granted to me has been entirely distributed between two persons who had applied for the same afresh. The strip of land now allotted to me does not in any way help me to establish the new line of business.

Under the above circumstances, I request your Honour to be so pleased as to order:

1. That the present order of the Trust Board be stayed.

2. That the entire vacant land south of my mills, measuring 431ft North to South be distributed amongst the three applicants for the land equally.

We believe that my request is reasonable and
and that your honour be pleased to order accord-
ingly for which act of kindness I shall ever
remain grateful to you.

SIR.

Subject: Petition of Sri C. Puttaveerappa, Proprietor, Sri Srikanteswara Rice Mills, Ediga, Mysore, re: land to the south of the Mills.

With reference to your letter No.10229/I.T.B.19-55-29 dated 23-11-1955 enclosing a copy of petition received on the subject, for a detailed report in the matter, I write to state that there was a plot of ^{low} ~~land~~ lying site to the south of the above Mills being used as a septic tank, having a storm water drain in the centre. Since the the laying of sewer lines to Mandi and Lashkar Mohallas has been taken up, new lines have been put up towards the proposed septic tank near Kesare and the site was now made available for use, by abandoning the septic tank. There were 3 applications for grant of this site. All the three applications were placed before the Board for consideration. The Board in resolution No.211 dated 23-9-1955, resolved that a strip of land measuring 15 feet wide to the south of the Mills may be allotted to Sri Srikanteswara Rice Mills at Rs.2/- per Syd. and the remaining portion to the two applicants, site No.1 to Sri D.Lingiah at Rs.2/- per syd. and site No.2 to Sri Javare Gowda at Rs.2/- per syd, after getting the area cleared of the squatters by the City Municipal Council. (Copy enclosed for ready reference).

Sri Puttaveerappa has purchased from the Trust Board, nearly 20,000 syds. of land measuring 170'x1044' (4 acres) at a concessio~~n~~d rate of 0-2-0 per syd, during the year 1923-24. He has sold a portion of it, measuring 170'x335' to Gajanana Rice Mills at a very high price and has made huge profit and has still retained for himself very huge plot of land measuring 170'x709' or 3 acres. There is no justification in

P.T.O.

(8)

- 2 -

Sri Puttaveerappa's representation for grant of land in spite of owning enough already. Even then the Board generously considered his request and has allotted 15'x170. He expressed to purchase this land at Re.1/- per syd. to the Commissioner, City Municipality. The land is allotted by the Board at Rs.2/- per syd. which is the highest rate that the Board has realised in the area, allotted in the Industrial areas of the city. The land is fully ~~is~~ marshy and requires heavy expenditure to put up buildings. It has been disposed of on a self-supporting basis and the amount realised will be made use of for the construction of the open drain.

I request that the allotment made by the Board may kindly be approved and the party ordered to be endorsed suitably. A sketch of the site under reference is also enclosed for kind perusal.

With reference to your letter No.L.16333/I.T.B.19-55-37 dated 16-3-1956 on the above subject, I write to state that the site under reference belongs to the Trust Board. The land under reference comes under survey number 4 of Veeranagere, which was acquired by the Trust Board, for the formation of Ediga Extension, prior to the Records of Rights. The number and date of the Government Order sanctioning the acquisition is not readily traceable. It has also been ascertained from the Revenue Department and found that it is survey number 4 of Veerangere which is shown as Trust Board land in the Revenue Records. I therefore request you kindly to obtain and communicate orders of Government to dispose of the site as resolved by the Board.
